

Humboldt Redwoods State Park

P.O. Box 100, Weott, CA 95571 • Southern Humboldt County • (707) 946-2409

Humboldt Redwoods State Park is the third largest California State Park. It encompasses nearly 53,000 acres, of which over 17,000 are untouched old-growth coast redwoods. The environment found within the park is unique to anywhere else on earth.

OCCUPANCY A maximum of eight people (including children) are allowed per family campsite. Picnic tables and fire rings are provided at the sites. Drinking water, flush toilets and hot pay showers are nearby. There are no sanitation stations in the park and no sites offer RV hookups.

CHECKOUT TIME is noon.

DOGS AND OTHER DOMESTIC ANIMALS must be kept on a leash no longer than six feet and under control at all times. They must be confined to a vehicle, tent, or pen at night. Dogs, other than those that assist disabled individuals, are prohibited on trails. All campsites are located in bear country. It is a visitor's responsibility to properly store food at all times.

FIRES AND FIREWOOD

Please be cautious when building fires—wildfire danger is especially high during the summer. Fires are allowed only in established fire rings or camp stoves. Do not build ground fires outside the fire rings or leave campfires unattended. Do not gather firewood in the park—the nutrients must be allowed to recycle back into the ecosystem.

SPEED LIMIT Though the maximum speed limit is 15 mph, when pedestrians, bicyclists and children are present, even 15 mph might be too fast. Use good judgement.

PLEASE clean up after yourself so that others may enjoy the beauty of the park.

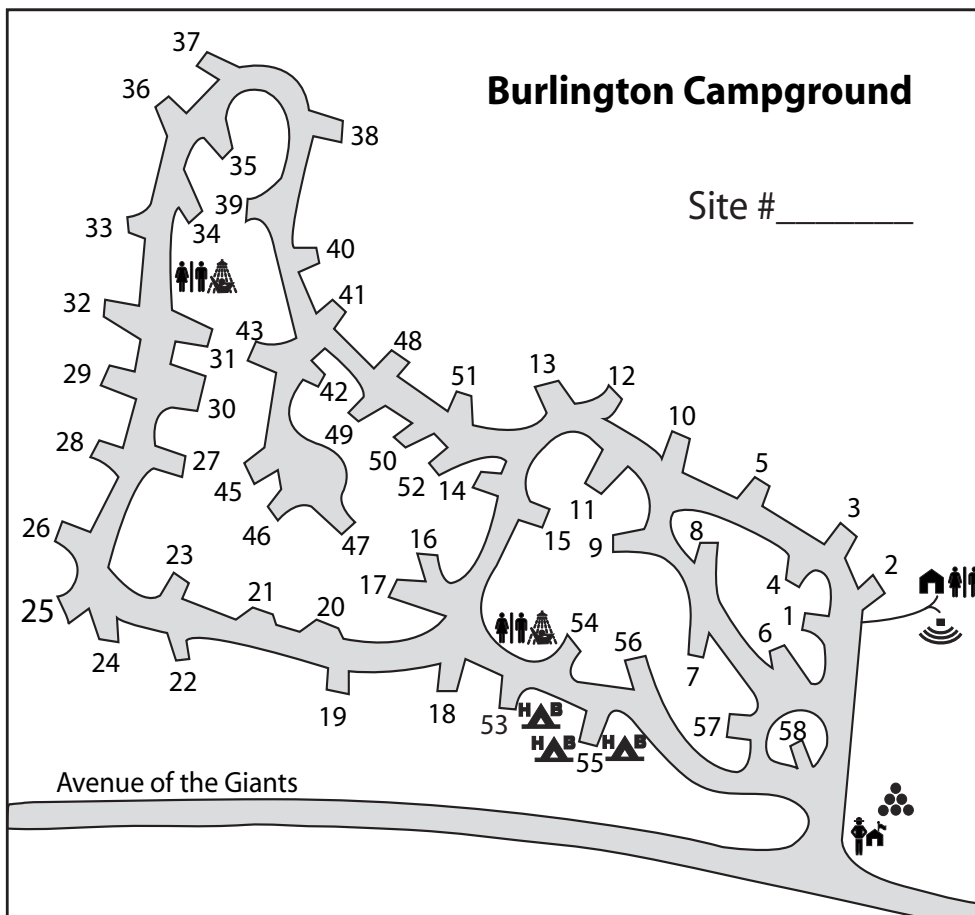

QUIET HOURS Quiet hours are from 10 p.m. to 6 a.m. To ensure an enjoyable experience for everyone, please do not disturb other campers.

GENERATORS must be turned off between 8 p.m. and 10 a.m.
